

The languages in my life

My name is _____

My family, friends and neighbours speak many different languages. Here are some of the people I know who can speak these languages:

These are the languages spoken by my family members

These are the languages I would like to learn

These are the languages I can speak

These are the languages I can write in

This activity sheet can be used in conjunction with My Language Passport, available in the Language Explorers book. Get your copy at <https://www.luminitabooks.ie/product-page/language-explorers-activity-book>
